

Date

2025-05-27

Reference

2023/2539

Scope of accreditation

Medical testing according to SS-EN ISO 15189:2022

Arctic Therapeutics ehf. Akureyri

Clinical Laboratory

Accreditation number

10530

A014976-001

Clinical human genetics

<i>Method</i>	<i>Parameter</i>	<i>Technique</i>	<i>Material</i>	<i>Field</i>
Applied Biosystems 3500 Genetic Analyzer, Inhouse method; SOP Cystatin C (L68Q Mutation in cystatin C gene) - ver 10	L68Q mutation	Sanger sequencing	Cell-free DNA extracted in-house from listed sample material or obtained externally	No
Promega Maxwell RSC, Inhouse method; SOP Cystatin C (L68Q Mutation in cystatin C gene) - ver 10	DNA extraction	Extraction	Blood	No
		Extraction	Swab samples	No

Clinical microbiology

Clinical virology

<i>Method</i>	<i>Parameter</i>	<i>Technique</i>	<i>Material</i>	<i>Field</i>
Inhouse method; Covid 19 antigen rapid test - ver 3.0	Covid 19 antigen	Immunofluorescence	Swab samples	No
